Poem - Afterglow

I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve, to dry before the sun;
Of happy memories that I leave when life is undone.

Goodbye to Wendy

Poem - Look For Me in Rainbows

Time for me to go now, I won't say goodbye;
Look for me in rainbows, way up in the sky.
In the morning sunrise when all the world is new,
Just look for me and love me, as you know I loved you.

Time for me to leave you, I won't say goodbye;
Look for me in rainbows, high up in the sky.
In the evening sunset, when all the world is through,
Just look for me and love me, and I'll be close to you.

It won't be forever, the day will come and then
My loving arms will hold you, when we meet again.

Time for us to part now, we won't say goodbye;
Look for me in rainbows, shining in the sky.
Every waking moment, and all your whole life through
Just look for me and love me, as you know I loved you.

Just wish me to be near you,
And I'll be there with you.

Closing Words and Acknowledgements

Poem - Remember Me

Don't Remember me with sadness
Don't remember me with tears
Remember all the laughter
We've shared throughout the years

Now I am contented
That my life it was worthwhile
Knowing that I passed along the way
I made someone smile

When your walking down the street
And you've got me on your mind
I'm walking in your footsteps
Only half a step behind

So please don't be unhappy
Just because I'm out of sight
Remember that I'm with you
Each Morning, noon and night
